Notes on the CrafTeX files

Font(s)

I use the new Lucida OT font, purchased from TUG. TeX user group members get the font at discounted price ...

Files elsewhere

For the MetaPost files for *Celtic knotwork and Roman mosaics*, see my MetaPost folder, they are included in the MetaPost sample set.

On braiding terminology

In fingerloop braiding, *exchange* refers to a certain type of braiding, a way of handling the loops.
